Betsy River - 20 acres, 21 acres, 25 acres

This map shows all of Section 28 and the location of **GPS waypoints** for the survey stakes that mark the property boundaries and a few waypoints along the road. You can download the GPS coordinates for these waypoints from our website. There is a **tall metal "T" post** at each of these waypoints on our property lines. The east boundary of each parcel is the middle of the Betsy River.
